### POSITION

#### Brief Job Description:

Youth/Young Adult Worker to work with national pastor, build relationships with young people in the community, organize evangelistic events, host youth meetings, minister one on one to youth.

Title of Position: Youth/Young Adult Worker

Year Needed:  2006  2007  2008  2009  2010

Length of Time Needed: 1 year Exact Date Needed: 9/1/06

#### Qualifications:

Applicant should have a strong desire to reach young people for Christ, ability to organize meetings and events, be willing to build relationships with young people, and be able to minister one on one

#### Strategic Importance of Position:

There is a noticeable lack of youth and young adults in the church. Reaching this age group is key to reaching the culture and also to raising up future leaders for the church.

Number of People Needed for Team: 1 Type of Degree Helpful for Position: degree in youth ministry

#### Expectations/Special Circumstances:

This position might be easier for a male because American women receive a lot of unwelcome attention from the national men. However, we are still open to the possibility of a female worker.
